FINIX INDUSTRIAL CO., LTD. is the one of largest manufacturer specialized in making all kinds of scissors, shears and cutters in Taiwan since 1976. Originally, we are the OEM manufacturer for several USA, Germany and JAPAN customers, especially for the foreign largest scissors factory or the chain stores. In order to provide better service for the customers, we established the DESIGN TEAM in 2000 for our special hair scissors, cigar cutters, bandage scissors, office scissors and kitchen scissors.

We are very pleased to advise you that we could offer you the following items:

- [Forged School Scissors](#)
